

**Hawke's Bay
Chamber of
Commerce**
Ko te mana i te reo

WELCOME

Kia ora, and welcome to Hawke's Bay Chamber of Commerce.

We are here to inspire and influence business vitality and provide platforms to support your business in growth, success, and sustainability.

The Chamber creates opportunities to celebrate business success and facilitates opportunities for professional networking and development. Our communications will keep you up to date with relevant information on the regional business environment.

Industry issues can be challenging on your own, but as a collective and independent voice, the Chamber can advocate for you.

Our future business leaders are our young entrepreneurs; business owners and members like you can guide our youth to help create what we want and need our business community to look like.

Karla Lee, CEO
Ko te mana i te reo
The power is in the language
